FACTUAL ALLEGATIONS

7. In 2015 and/or 2016, the Plaintiff received one or more phone calls to the Plaintiff's cell phone which connected the Plaintiff to an agent. The Plaintiff received a call at on more than one occasions.
8. The calls started with a pre-recorded message after several seconds of dead air time.
9. When the calls connected to an agent, the Plaintiff was told that he was called by National Health Insurance Company. In every call, the Plaintiff noticed a delay between answering the phone and the call connecting with a live person, which is characteristic of an automated telephone dialing system.
10. This is just one of many harassing calls the Plaintiff has received and as National Health Insurance Company is just content to knowingly call what could be wrong numbers, the Plaintiff is therefore subjected to multiple harassing phone calls.
11. The Defendant also used an automated telephone dialing system to call the Plaintiff's cell phone in violation of the TCPA, 47 USC 227(b) and 47 USC 227(c)(5) as codified under 47 CFR 64.1200(b)
12. The calls violated 47 USC 227(b) as the calls were automated and placed to the

Plaintiff's cell phone without the Plaintiff's consent and without an emergency purpose.

13. The calls violated 47 CFR 64.1200(b) as the artificial or pre-recorded message failed to state at the beginning of the message the identity of the business, individual, or entity that is responsible for initiating the call. In fact, no name was given for the entity placing the call and even the agents only stated who they were calling from after the Plaintiff asked repeatedly.
14. These calls were knowingly and willfully placed and the Defendants had or should have ascertained they were calling the wrong person.
